**HENRY STENDER
HANDELSSELSKAB ApS**

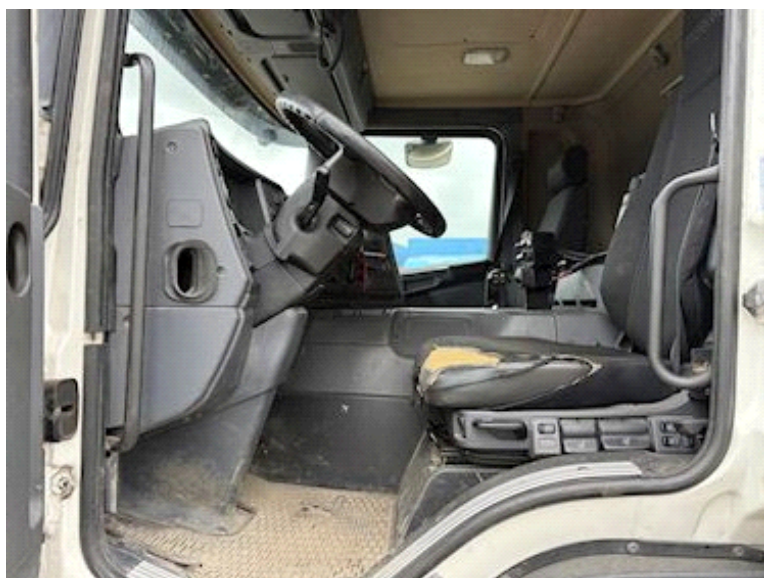

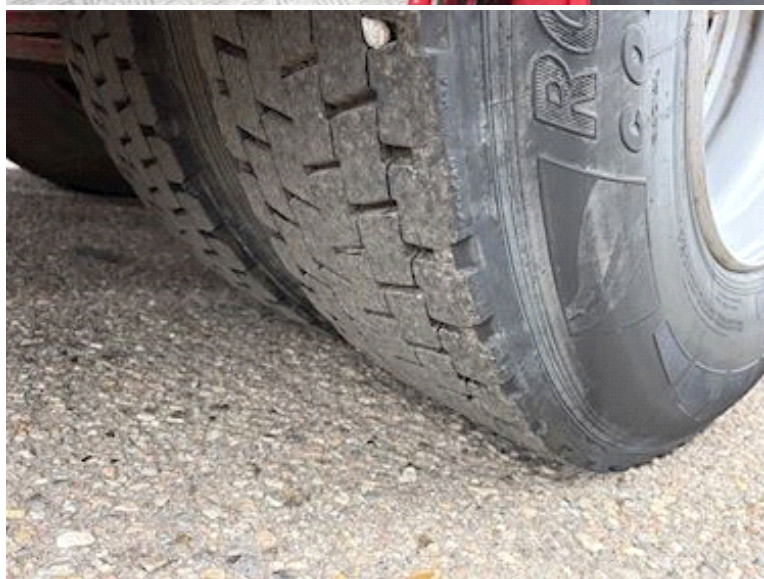

A close-up photograph of the dashboard area of a vehicle. The dashboard is light-colored, possibly beige or light brown. On the left side, there is a digital display screen showing some text and numbers. To the right of the screen is a control panel with several buttons and a small, dark rectangular area, possibly a speaker or a sensor. A black cable is visible running across the dashboard. The overall image is somewhat blurry and has a low resolution.
